ASIA 207

NEW COURSE

Gender and Power in South Asia

TTh | 4:00 - 5:15 PM | Sourav Chatterjee

This course explores gender, culture, and power in modern South Asia (c. 1900-2025). It will situate gender and power within broader discussions of British imperialism, conflict zones, modernity, desire, revolution, and representation.

Distribution 1 | No prerequisites | Approved for the SWGS major & minor
